Biography
Julian Fierrez received the PhD degree in telecommunications engineering from the Universidad Politecnica de Madrid, Spain, in 2006. Since 2002, he is affiliated with the Universidad Autonoma de Madrid in Spain, where he currently holds a Marie Curie postdoctoral fellowship, part of which has been spent as a visiting researcher at Michigan State University. He is a member of the IEEE. More details about his research can be found at http://atvs.ii.uam.es. *(Based on document published on 17 April 2009).*
